Bike Collection

My name is James Haney and I am working to become an Eagle Scout. I am holding a bike collection at St. Linus Church on May 19 and 20th, on the west side of the rectory by the garages, after all masses that weekend, from 5pm-6pm on Saturday and 8:30am- 2pm on Sunday. If you are not able to bring a bike to the collection, I have also provided my email address to arrange any other pickups or drop offs. I am looking for bikes of any shape, color, or condition. The collection will end June 3rd. Instead of keeping that old rusty bike, you should give it to a worthy cause.

When?

- May 19th, 5pm-6pm on west side of rectory
- May 20th, 8:30am-2pm, on west side of rectory
- By email appointment until June 3rd

Working bikes is a bike charity based in Pilsen, an area just south of downtown Chicago. They are non-profit and primarily volunteer driven. They provide bicycles to the Chicago area as well as to the Gulf Coast, Ghana, Tanzania, Angola, Cuba, Guatemala, and Peru. This is an important contribution because in some countries, such as those previously listed; a bicycle can often mean the difference between work and unemployment. The bicycle is the primary means of vehicular transportation for the majority of the population and is used both for personal transportation and for carrying cargo. They will accept any bike despite its size shape or condition.
